DATE MAILED: 10/17/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

1. The reply filed on 07 July 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

2. The amendment does not comply with 37 CFR 1.121(b)(1)(ii) in that the amendment to the specification does not provide the “full text of any replacement paragraph with markings to show all the changes relative to the previous version of the paragraph”. Applicant only provides instructions to amend a phrase of one sentence of the specification.

3. As a consequence of not complying with 37 CFR 1.121(b)(1)(ii), the amendment does not comply with 37 CFR 1.121(b)(1)(i) in that the amendment does not “unambiguously [identify] the location...replace a paragraph with one or more replacement paragraphs...”.

4. Claims 9 and 18 are identified as being cancelled on page 9 of the response (“Present status of the Application”). The full text of these claims appears in the “claims” section of the response, with the status identifier “cancelled”. In accordance with 37 CFR 1.121(C)(4)(i), however, “no claim text shall be presented for any claim in the claim listing with the status of ‘canceled’ or ‘not entered’”.

5. It is further noted that Applicant sets forth on page 9 that “claims 1-17 patently define...”, however claim 9 has been cancelled.

6. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

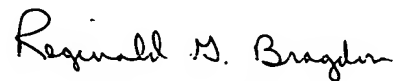

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
